Statement of Qualifications

Environmental Risk Management, Inc. (ERMI) was founded in 1999, to provide risk management consulting, turn key transaction due diligence, assessment and remediation, water quality monitoring, tank closure, stormwater management, environmental forensics, and comprehensive environmental services. Our mission is to manage environmental risks, restore property value and provide economic benefits to our clients. As indicated by our name, we focus on strategies to manage environmental risk to meet our clients' objectives.
